# ASIA'S NO.1 B2B EXHIBITION OF JEWELLERY MACHINERY & ALLIED PRODUCTS

12 13 14 15

FEBRUARY 2026

HALL 4, BOMBAY EXHIBITION CENTRE,  
GOREGAON (E), MUMBAI, INDIA

# About Organiser

## KNC Services – A Trailblazer in B2B Jewellery & Jewellery Machinery Exhibitions.

Ms. Kranti Nagvekar a founder of KNC Services her legacy is one of innovation, excellence, and enduring impact. As she continues to explore new frontiers, her work remains a cornerstone in the growth story of India's jewellery and machinery sectors, both domestically and internationally.

Under her leadership, exhibitions have evolved into high-value knowledge-sharing ecosystems, promoting skill development, innovation, and digitization in the sector. Her mentorship has guided many emerging professionals and entrepreneurs, making her a true inspiration in the trade fair and jewellery industries.

Ms. Kranti Nagvekar's enduring legacy lies in empowering the backbone of the jewellery industry from artisans to industrialists and her continued commitment to creating platforms that celebrate Indian craftsmanship, technology, and entrepreneurship on a global stage.

## Founder's Message

### Ms. Kranti Nagvekar

Founder, KNC Services

As a globally driven industry, India's gem and jewellery sector continues to expand its footprint in key markets like the UAE and Saudi Arabia. To support this momentum, JMAIIE 2026 will showcase the latest global technologies and machinery, offering a world-class platform for innovation and business.

I'm proud that the KNC exhibition calendar plays a vital role in promoting 'Made in India' jewellery and machinery across international markets. These efforts have boosted exports and strengthened India's global image.

As the first major show of the year, the 5th edition of JMAIIE will set a strong tone for the industry in 2026. Wishing everyone a successful and productive participation!

# Chairman's Message

## JMA Forum

**Mr. Naresh Balani**

Chairman, JMA Forum

Dear Industry Colleagues, Exhibitors & Visitors,

Welcome to the **5th Edition of JMAIIE** – India's premier platform for innovation, excellence, and collaboration in the jewellery manufacturing sector.

From refining, casting, and polishing to CAD, CNC, laser, and pollution control – every aspect of jewellery technology is showcased under one roof. JMAIIE continues to empower the industry with cutting-edge solutions and global best practices.

We thank KNC Services, our exhibitors, partners, sponsors, and the dedicated JMA Core Committee for making this vision a reality. Let's make this edition a celebration of ideas, partnerships, and progress!

## About the Show

JMAIIE has firmly established itself as a premier platform for professionals in the jewellery machinery and industrial automation sectors. With a strong international presence, the exhibition fosters impactful business engagements and serves as a vital hub for industry leaders, innovators, and decision-makers. JMAIIE known as the world's ultimate B2B exhibition for jewellery-making machinery and allied technology, the exhibition offers a comprehensive platform to explore innovation, cutting-edge technology, and strategic business collaborations.

This year's edition elevates the experience further by introducing dedicated pavilions, thoughtfully curated in line with global trade demands making JMAIIE the ultimate destination for sourcing state-of-the-art machinery, tools, and technology from around the world.

# Show Highlights

INTERNATIONAL  
PAVILIONS FEATURING  
MACHINERIES FROM  
ACROSS THE WORLD

MACHINES FROM ENTRY  
LEVEL TO ADVANCED  
TECHNOLOGY

500+ EXHIBITORS  
FROM INDIA &  
NEIGHBORING  
COUNTRIES

10,000+ JEWELLERY  
MANUFACTURERS  
ACROSS THE WORLD

HASSLE-FREE DIGITAL  
BADGE & ONLINE  
REGISTRATION

SPECIAL PAVILION FOR  
RAW MATERIALS: LOOSE  
STONES, LOOSE  
DIAMONDS, PEARLS, CVD

BUSINESS  
NETWORKING

JMAIIE AWARDS  
NIGHT

## Highlights 2025

The 4th edition, held in February 2025, broke records and set new benchmarks:

- Inaugurated by Mr. Farad Sethna, Chairman – JMA Forum
- Over 8000+ Trade Visitors in 3 Days
- Participation from 400+ Exhibitors
- Global Delegations from Sri Lanka, UAE, Saudi Arabia, Nepal, Qatar and more
- Innovation Pavilion showcased futuristic jewellery-making solutions
- The event became a hub for AI-driven automation, sustainability, and industry trends

# Key Features

## Comprehensive Industry Showcase

Explore the latest in jewelry-making machinery, tools, and allied products. Advanced solutions in 3D printing, laser cutting, engraving, CNC machines, and more.

Cutting-edge packaging, polishing, and refining technologies.

## Global Participation

Engage with exhibitors and attendees from over 15+ countries, fostering international collaborations. Key markets represented: Italy, Germany, Turkey, USA and Switzerland.

## Live Demonstrations

Hands-on presentations of state-of-the-art machinery in action. Witness the precision and efficiency of the latest technology.

## Innovation Zone

Spotlight on emerging trends like sustainable practices, smart manufacturing, and eco-friendly solutions. Showcase of AI-powered design tools and blockchain integration for jewelry traceability.

## Networking Opportunities

Buyer-seller meets designed for effective business connections. Interaction with manufacturers, traders, and decision-makers.

## Knowledge Sessions

Expert-led seminars and workshops on market trends, export strategies, and innovations. Industry panels discussing automation, efficiency, and sustainability.

## Exclusive Business Benefits

Access to industry leaders and decision-makers. Discover the latest advancements and gain valuable market insights.

# Special Pavilions

- Casting Machinery
- CNC & Automation
- Findings
- Consultants & Architects
- Electroforming
- Enamels
- Fashion Jewellery
- Refineries
- Hallmark setup
- Insurance
- Securities – Safe Lockers/ CCTV
- Software
- All types of Jewellery Manufacturing Machines

## Why Exhibit / Visit?

- Expand your reach globally
- 10,000+ Jewellery manufacturers across the world
- Build strategic alliances
- Stay ahead of technology trends
- Discover cost-effective solutions
- Network with the future leaders of the jewellery

## Participation Cost

Rate Per Booth (9 Sqm)

JMA Member: ₹ 1,26,000 + GST

Non-JMA Member: ₹ 1,35,000 + GST

For International Clients: US\$ 2832

### Deliverables:

2 Tables (Octonorm), 3 Chairs,  
Waste Bin, Fascia, 1 Socket of 5 Amp,  
4 Spotlights ( White / Yellow)

•Additional requirements on request

# Exhibiting Categories

- 3D Printing Machinery
- 3D Printing Resin
- Alloys
- Annealing Furnace
- Assaying Equipments
- Ball Making Machine
- Burn Out Furnace
- Casting Machines
- CCTV
- Chain Making Machine
- Chatka Cabinets
- CNC Lathe Machine
- CNC Milling Machine
- Diamond Polishing Machine
- Dryers
- Electroforming Set-up
- Electroforming Chemicals
- Electroplating Machine
- Embossing & Cutting Dies
- Packaging & Display Boxes
- Enamelling Set-up
- Enamels & Hardeners
- Faceting Machine
- Findings
- Gold Testing XRF Machines
- Graining Machine
- Hallmark Setup
- Hollow Tube / Chain Machines
- Hydraulic Press
- Insurance
- Investment Mixer
- Jewellery Tools
- Lapping Machine
- Laser Cutting Machine
- Liquid Silicone Mixer
- Logistics
- Mannequins
- Media & Compound
- Melting Machines
- Metal Detectors
- Micro Sand Blaster
- Moulds
- Nitrogen Generator
- Polishing Machines
- Refineries
- Rolling Mills
- Safe Lockers
- Scrubbers
- Softwares
- Solutions and Shampoo
- Sprue Cutters
- Strip Cutting
- Trays
- Ultrasonic Cleaners
- Vacuum Cleaners
- Water Jet
- Wax Injector
- Weighing Scales
- Wire Drawing Machine
- Other Jewellery Machines

## DG1 400 - PATENTED ICE LATHE FOR CHAINS

High precision ice Lathe mod. DG1 400 suitable to carry out flat lapping on chains

### DESCRIPTION

The ice lathe has a cylinder Ø400, laid on two lateral cast iron supports fixed to a sturdy rectified bench, where the tools holder carriage is arranged on. The machine is planned to get the maximum rigidity and stability in order to guarantee the best quality on precious chains lapping, even in case of several removals.
